Payment *(this step must be initiated at least 4 business days before placing the order)*

The **ScripPayment Gateway** link is found on the User Home Page after logging on to ScripZone. Follow the instructions found on the site.

Once you submit the Banking Information required, our Gateway will verify your accounts by depositing a small amount **INTO** your account. This process requires 3 – 5 business days. If you bank online, check your bank account or statement for the transaction and note the amount deposited. Amounts will vary with each verification process. Once the deposit is confirmed to the Gateway, your status will change on the Home Page.

- ✓ My ScripPayment Gateway Center (Waiting for Your Approval)
- Click on the link and confirm amount deposited into account.
- Enter the amount deposited into your account and click Approve eCheck. You are now approved to electronically process payment for your Scrip Orders.

Please note that by approving and establishing this account you understand and agree to the Terms and conditions of www.scripzone.com.

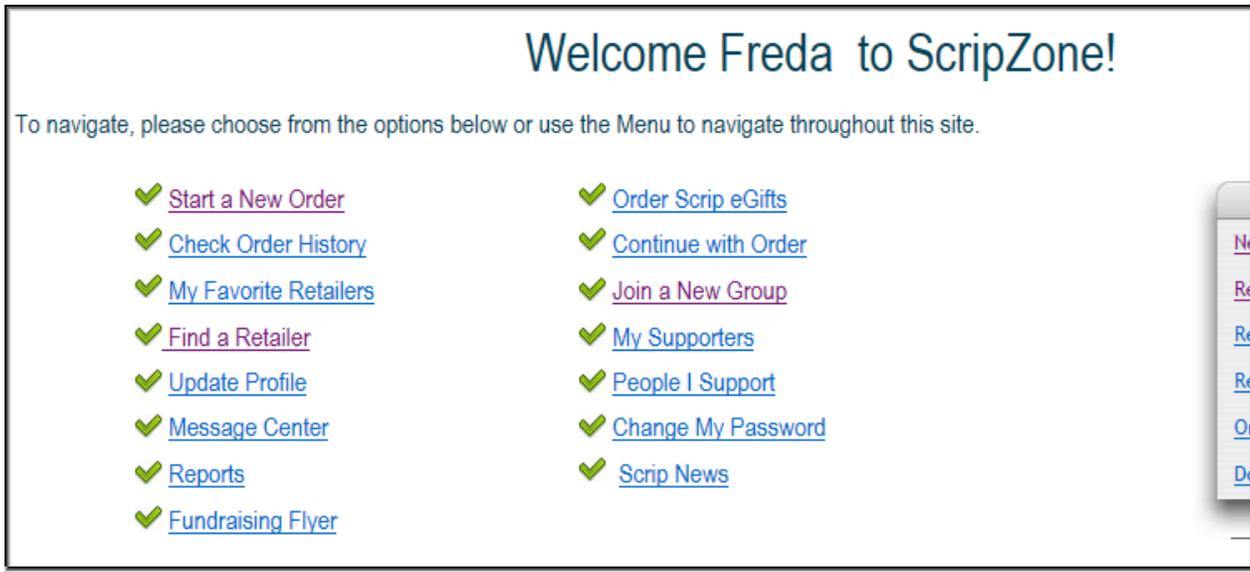

- ✓ A \$0.50 fee will be added to your total order and processed with each payment. This charge applies to each transaction.
- ✓ Currently there are no additional fees per eGift ordered because there is a waiting period before they are received. In the future, if UnitedScrip decides to allow for instant access to the funds on an eGift, there will be an additional processing charge per eGift ordered. This fee is to cover the additional costs to UnitedScrip.
- ✓ I authorize UnitedScrip to electronically transfer funds from my account for payments due.

If you do not set up the ScripPayment Gateway the only payment method will be a credit card. The items that are listed on the order form are not available for purchase by a credit card, so you will not see them listed.
