

SCRIPZONE STUDENT FEE FUNDRAISER

Please join us in this great fundraiser that enables you to put \$\$ toward your personal student costs!

We are excited to announce Scrip Zone to provide an opportunity for parents to purchase gift cards to earn dollars to be applied to class fees. After class fees are paid, this fundraiser can also be applied to competitions and trips related to ATL.

Please read the 2 registration flyers carefully for instruction on how to register on the Scripzone.com website. They will give you detailed information related to payment and mailing. It is real easy!

SOME IMPORTANT ITEMS TO NOTE:

- Gift card options have different % amounts that will be earned by you. This depends on the store. There will also be specials that will be sent to you by email if desired.
- All orders will be made online and cards will be shipped to your home.
- Shipping is approximately \$1 per 8 cards (suggestion is to make 2 orders if order is larger than 8 cards)
- Ecards are available and will not have shipping cost. The availability of variety in these cards will increase in time.
- 50 cents is added to each order for processing
- Gateway is a secure service for the company to debit bank accounts helping to decrease credit card fees. (this method of payment is suggested)
- Credit card orders incur 3% charge and will decrease the amount of profit you will gain in this fundraiser.

CREDITS TO STUDENT ACCOUNTS

- When ordering, you will be able to instantly see the credit you received for that order.
- The scrip zone parent and treasurer will run monthly reports and credit the \$ to your student.
- When fees are due for shows, the treasurer will use scrip credit and adjust amount owed related to scrip credit. It will be so nice to see a decreased amount owed with your fees!
- At end of school year, scrip\$ will roll over to the next year (you may also make orders in summer to add to your 'fee savings'). If the student is graduating, ATLBooster appreciates the money raised for the organization. We will not be able to 'pay out' credits because this is a fundraiser.
