

## Costume/Performance Requirements

The following items are required for ALL performing members of ATL. The specified undergarments and make-up will be required at the beginning of tech week for each show.

**PLEASE NOTE: Costumes are provided primarily by ATL, but proper care is required! Cleaning and/or replacement costs may be required from parents if costumes are returned in extraordinarily poor or dirty condition. Also note that deodorant is a REQUIREMENT during tech week/when students are in costume. There is absolutely no exception to this standard for the integrity of the costumes being worn.**
