

Happy Birthday America! ATL 2026/27 Season

In honor of our country's 250th birthday, we are proud to propose a season of American-spirited productions that celebrate our history, our hurdles, and our heart.

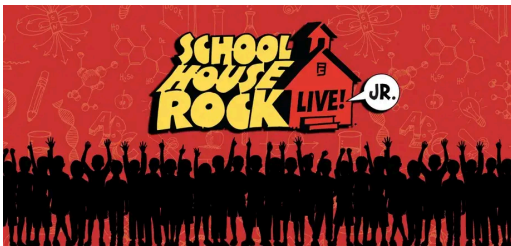

(All shows are contingent on licensing completion and may be subject to change)

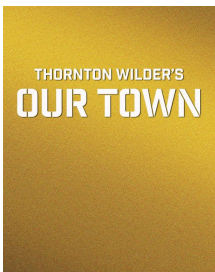

Shuler/One-Act Competition Musical Theatre show:

- **The Hello Girls:** This powerhouse contemporary musical follows the adrenaline-fueled true story of the 223 women who braved the front lines of WWI. Driven by a catchy ragtime and jazz-inspired score, it honors the "switchboard soldiers" who connected 26 million calls and paved the way for women in the military. Slated for full production January 2027.

Advanced Musical Theatre outreach show:

- **Schoolhouse Rock Live! Jr.:** Based on the Emmy Award-winning cartoons, this high-energy blast of nostalgia turns the stage into a rock concert. From "Conjunction Junction" to "Just a Bill," it brings American civics and foundational education to life with a modern, rockin' edge that's a hit for all generations. Slated for home shows November 2026.

Advanced Drama educational expansion show:

- **Our Town:** We close our season with Thornton Wilder's Pulitzer Prize-winning masterpiece. Performed somewhere in the world every single night, this hauntingly beautiful play follows life and death in a small New Hampshire town. Set at the turn of the last century—the halfway point between our nation's founding and today—it is a profound look at the fleeting beauty of being alive. Slated for late March 2026.
